

MHSAC Community Update & Celebration of Accomplishments

July 24, 2025

Thank you to our countless partners, funders, board members, and supporters for helping to create a system of collaboration in our community. Without you all, the progress on behavioral health in Wichita/Sedgwick County and the accomplishments below would not have been possible.

-  **Established the MHSAC as a 501c3**
-  **Conducted a transportation pilot project with SACK**
-  **Advocated for a one-stop service hub, which has led to the development of Second Light**
-  **Supported the development of the Behavioral Health Center of Excellence and WSU Tech Mental Health Technician Program**
-  **Conducted highly attended bi-annual community updates**
-  **Created legislative policy priorities annually that aligned locally and regionally**
-  **Launched a Community Dashboard to directly connect individuals with free or low-cost services**
-  **Working to create a Provider Database to further share information across providers and reduce drops in service**
-  **Recommended the creation of the Homelessness Task Force, which has led to the implementation of several interventions**
-  **Supported the new South Central Regional Mental Health Hospital being brought to our community**
-  **Developed a valuable model of collaboration and strengthened trust among providers**
